

**David Hall, BA (Honours Economics), BCom (Finance)**

**Chairman of the Board**

Mr. Hall was President & CEO at RepliCel Life Sciences for 5 years. Prior to that, Mr. Hall held executive management roles at Angiotech Pharmaceuticals Inc. including Chief Financial Officer, Chief Compliance Officer and Senior Vice President of Government & Community Relations for more than a decade. He also served as the company's Corporate Secretary and Treasurer. Mr. Hall is highly committed to governmental policy issues related to the

biotech industry. He is a past Chairman and current board member of Life Sciences BC and currently serves as a director for Advantage BC. He has served as the Chairman of the Biotech Industry Advisory Committee to the BC Competition Council and as a member of the BC Task Force on PharmaCare. Mr. Hall is also a member of the University of British Columbia's Tech Equity Investment Committee and is a director and Chairman of the Audit Committee of GLG Lifetech Corporation.
